

## Brief introduction

Ningbo kaiwei bicycle parts co., ltd specialized in processing various bicycle parts with kaiwei brand. Most of products we processed are exported abroad, also supplied to the whole bicycle factory in our home country. It locates in gulin town, ningbo, with convenient traffic, only about three kilometers far from ningbo air port, and about five kilometers away from the highway road entry. Through years' research and efforts by all staffs, certain production lines, workshops and facilities are established. the company passed ISO9001-2015, BSCI and TUV test, holds the whole production line, including diecasting, forging, surface treatment and etc.

We are pleased to supply all the customers with high quality products and best service sincerely.

Warmly welcome to visit our factory!
